Invest In Your Health. Expand Your Mind.

The First Aid At Work course is aimed at those working in higher risk areas or consider working with people at high risk due to health and well-being.

We are able to adapt the training to be most suitable to your day to day business environment.

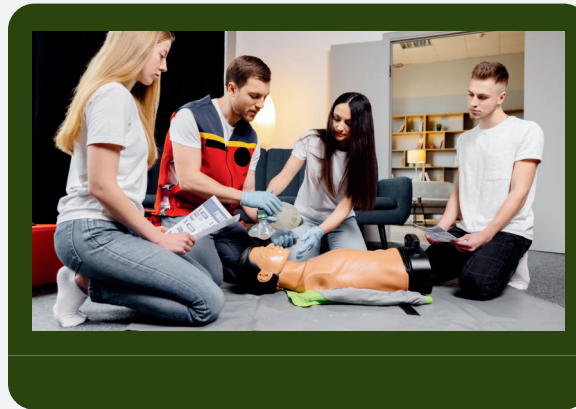

Our sessions are interactive and fun, with both practical and theory based learning. We're certain you'll enjoy it.

There will be no-one falling asleep at the back of the classroom and learners will be supported in an empathetic environment with minimal pressure.

Our 3-day Courses

Our 3 day Course can be delivered either:

- *On-site at your premises; where we can talk through specific issues*
- *Or in our own Training classroom; enable them to fully concentrate and enjoy their learning.*
